Thank you for your order.

- As with any live event, all photos were taken using existing lighting conditions and limited positioning.
- Not everyone on each team has a photo and not everyone on a particular photo is on the focus plane.
- Some photos will fit on a 8"x12" format better than the 8"x10" standard. We will use the format that best fits the image.
- Please allow 5 to 10 business days.

Please contact: 253.241.3384 or Ludwig@9amps.net if you have any questions or problems with your photos.
